

COLOURED PENCIL VERSALS

Using pencil skeletal monoline Romans for a base, we will work on building upon the Romans to create luscious coloured versal forms. This is a fun, non- stress alphabet which will make use of those coloured pencils sitting in your studio drawer!

Supply List

Sharp graphite pencil (HB, 2B)

Ruler

Pencil Sharpener, (hand held, battery or electric)

Kneaded Eraser

Any pieces of dark, preferably black papers to try (I will bring some)

A few small (8 ½ x 11) pieces of good paper, any colours

Layout or practice paper (grid is fine, or plain)

Coloured Pencils. I prefer the Prismacolor Premier Pencils, as they are soft and waxy, blending and layering well. Bring what you have, don't buy, I have lots!

One white and one cream Prismacolor Premier Pencil (some sets have them, others don't)

Optional:

Tape, glue, scissors, cutting matt and knife
